Genetics Matter

The Great Basin Bull Sale was handed the reins in 2022 from Lucy Rechel of Snyder Livestock and the Nevada Cattlemen's Association to continue the legacy of providing a combination of performance tested and range bulls for the most discerning of bull buyers into 2024 and beyond. Charlie Hone, Kris Gudel and Dave Holden have come together to provide a venue where a variety of genetics can be assembled to meet the needs of any breeding program.

Whether you feel the need to use age advantaged bulls or the latest in cutting edge high efficiency genetics, a large selection of bulls will be available on February 15. In the tradition of both the Fallon All Breeds Bull Sale and the Bulls for the 21st Century Bull Test and Sale, all breeds are welcome.

The third annual bull sale will be on February 15, 2025, at the Rafter 3C Events Center in Fallon, Nevada.

Welcome

It is with great pride that we present the 3rd Annual Great Basin Bull Sale. This year's event will be held on February 15th at the Rafter 3C arena in Fallon Nevada. The sale has over 200 bulls consigned in two divisions. In the first division performance tested bulls will be offered with the testing format remaining essentially the same for the bull test. The second division will offer Range bulls under the same format as the Fallon bull sale. Awards for the overall champion, a calving ease Angus champion, and best of breed categories will be given. A few changes have occurred that we hope will make this a fun and exciting event. A full two-day Ranch Rodeo will precede the sale culminating with a dinner and concert Friday night by the Bellamy Brothers.

The bull test will essentially remain the same. Bulls will compete in three divisions according to age. Early fall, Late fall and spring born calves will compete to become the coveted overall performance tested champion. Bulls will be evaluated in Five categories, with the top bull in each category earning maximum points. The categories include fertility, each bull must pass a semen test by a year of age, his dam's calving records will also be evaluated for calving interval and regularity of calving. Not many bull sales will publish that information for you. The second category will be weaning performance. In herd weaning ratios, EPD's and weight per day of age will be used for this calculation. The third category will be gain on test. We all sell cattle by the pound and performance is the key to profitability. The fourth category will be feed efficiency. Residual feed Intake or RFI is measured on each bull in the test. Research at leading universities across the country is showing that as much as a 20% gain in efficiency can be gained from using negative RFI bulls. With the ever-changing weather conditions and the rising cost of inputs we have experienced over the last few years, raising cattle that can do more with less has become more important than ever. The fifth and final category in the evaluation will be ultrasound. Each bull will be ultrasound tested to evaluate their potential carcass quality.

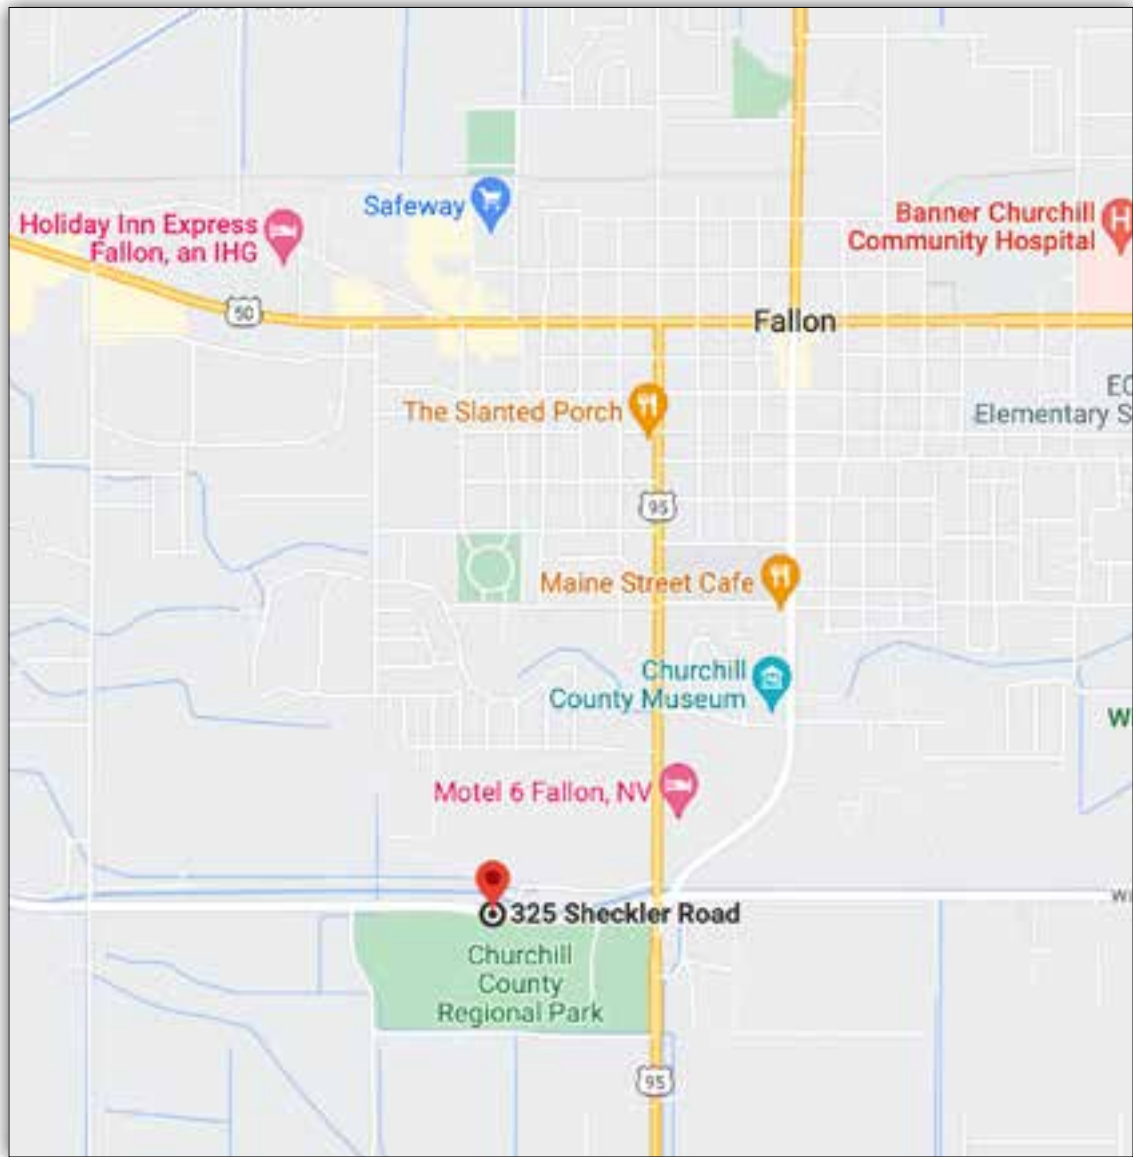

The Range bull division will provide the same high quality age advantaged bulls Nevada cattle producers have come to expect from the Fallon All Breeds bull sale. These bulls will undergo a thorough sifting and grading process to ensure quality and soundness. Two three-person committees will evaluate the bulls for each category. Quality grading will use the same CBCIA guidelines as in the past.

Once again, we will use a video format for the sale. Bulls will be on display for buyer evaluation, however individual videos of the bulls will be used during the auction instead of running the bulls through the ring. This format is easier on the cattle and the sale staff. The auction will also be broadcast over the internet via LiveAuctions.TV. The auctioneer will be Jake Parnell, and the sale will be managed by M3 Marketing.

On behalf of the consignors, The Nevada Cattlemen's Association, and the city of Fallon we would love to see you on February 15.

Charlie, Kris and Dave

A NOTE FROM THE SALE MANAGER

Welcome to the 3rd Annual Great Basin Bull Sale! The past two sales have been huge successes and the buzz and excitement about this event is even better! Kris, Charlie, Dave and the breeders involved in this bull sale have helped create a unique event that any Western enthusiast and cattle producer would benefit in attending. Not only are there over 200 high-quality bulls of multiple breeds, but a fun event that the whole family can attend and enjoy. Jim Barbee, his staff, and the Rafter 3C have truly rolled out the red carpet for everyone! The bulls are the reason for the weekend though. We again have two divisions. 150 plus bulls have been on test at Snyder feedlot in Yerington, Nevada from some of the leading registered breeders in the West. They have been thoroughly evaluated and sell with as much data as you can collect to increase confidence in your purchase. 65 plus bulls are also selling in the Range Ready division. These bulls are also coming from established purebred firms that have been bringing quality seedstock to Fallon for multiple years. These bulls in general have some more age to them if you are looking for age-advantage bulls. If you have any questions about either set of bulls, please give me a call. We will be broadcasting live on LiveAuctions.tv and videos of every bull will be available for those that need to see them in advance or cannot make it in person. Take a look at the schedule in the book and come enjoy the entire weekend. Make sure to get your tickets for the dinner and live music Friday night, featuring The Bellamy Brothers live! We look forward to seeing you at one of the unique events in the West.

Here is an IMAX Son that checks a lot of boxes. He is a high \$M bull with balanced carcass qualities. His young dam is one of the most eye appealing cows in the fall herd. This bull recorded a Weaning Ratio of 117 and a Yearling Ratio of 108 in a tough contemporary group. He had as much eye appeal at weaning as anything we had to offer.

 This is a heifer bull prospect that is clean made and smooth shouldered. He balances a lot of highly important economical traits. He has a 1% heifer pregnancy EPD, top 10% PAP EPD, claw & angle EPDS in the top 20% and a SM in the top 1% of the breed. He should produce a great set of calves with disciplined mature frames.

 Resource 98N is a power bull to be used on cows. This range bull prospect stacks up Resource, Upward, Basin Rainmaker 4404 and a son of Coleman Donna 714. This bull is wide based and thick made from end to end. He has a classic Angus look and will stamp his progeny. His dam records a BR:3@98 and WR:3@101 and is a good uddered cow in the prime of her life.

Lucidity, AAA #29001009 combines two of the breeds' Legendary sires Paragon and Clarity, with added marbling from Green Garden Raven lines.

Lucidity has 17 top 25% traits (20 top 5%) including RADG, ME, MARB, SASH, SAST, SF, SG, SB, and SC at \$74. (11/27/24). He placed third in the Basin Bull Test's Late Fall class, ADG 5.22 lbs.

Ankony Raven A077 is one of our young donor cows. Lucidity is her first calf. We are excited to see her winter spring calves sired by Hollywood, Claiborn, and Congress.

**Made with pride in the USA.
Always have been. Always will be.**

Y-TEX® ID ear tags give you American quality at its very best.

At Y-TEX®, we don't believe in off-shoring production of our All-American® two-piece tags or Y-Tags™ one-piece visual identification ear tags. After all, why risk shipping bottlenecks and other supply chain problems just to save a few pennies per tag in production costs?

Every American-made Y-TEX® ID tag features advanced polyurethane construction for unmatched flexibility and durability. State-of-the-art 100% PureLaser™ imprinting for superior legibility that's guaranteed for the life of the animal. Minimally invasive tips for faster healing and maximum tag retention. And, easy-to-use taggers for time-saving convenience.

If you take pride in a job well done and believe in American quality, ask your livestock products supplier for Y-TEX® ID ear tags or go to www.y-tex.com to learn more.

Always read and follow label directions. Y-TEX® and All-American® are registered trademarks of Y-TEX Corporation. Y-Tags™ and PureLaser™ are trademarks of Y-TEX Corporation. © 2022 Y-TEX Corporation.
